PRESIDENTS REPORT

Congratulations to all Our Club members on another successful year.

All Our Members have done an excellent job and I would like to thank you for your efforts. I would also like to thank their families for encouraging them in their Volunteering of the Club. This is something that is sometimes forgotten, we are VOLUNTEERS. This is an aspect of Surf Lifesaving that should not be forgotten. As always, we are always on the look out for new members, so please encourage others to join.

Congratulations to Dan Meehan and Mark Peterlin on the Australian SLS Meritorious Award for their involvement in a Rescue off Port Beach. This is a huge effort not only for Dan and Mark but also for our Club. They represented Our Club at the Awards night on the Gold Coast, where presented with the award. This was a 1st for Our Club Well done.

Another first for Our Club was the selection of our Open Men's boat crew to Represent Australia in the Trans Tasman Boat series against New Zealand in New Zealand. The crew dominated this event helping Australia win the Gold Medal.

Both our Men's and Women's Open crews also competed in the Ocean Thunder Series this year. The women's crew finished 2nd overall. The men's crew were leading, however they weren't allowed to participate in the Final event as they were representing Australia Crew members were Mitch Foran, Corey Jackson, Aaron Jackson and Mitch Hogan. Women's crew was Renee Patison, Emma Gillespie, Morgan Jackson and Shannon Grimsey. Jack Patison was the Sweep of both crews.

To our Sponsors NSW Ports and the Port Authority, without your assistance our club would struggle to exist. We have been lucky to have had these sponsors for a number of years now and we greatly appreciate it. Thank you.

Kel Campbell Petrol, who have again supplied us with all our fuel requirements throughout the season.

We were also lucky to get support this year from BlueScope Steel, who arranged the transportation of our Surf boat to West Australia for the Aussie Titles. This was greatly appreciated.

To Brett McLennan and his Nippers committee, thanks for all the work you have done in getting our Juniors on the beach every Sunday.

To our Executive Committee, Nathan Boscaro, Dan Pretzler, Jason Hedges and Rhys Bowditch your efforts in keeping Our Club running has been immense. These guys do all the work and I would like to thank them. Also to their wives and family, allowing and encouraging them with the amount of time they put into Our Club, I thank you.

So, after 16 years as President, the time has come for someone else to give it a go.

I would like to thank everyone who has been involved in this time. I would like to give special mention to Noel and Denis Gracie who encouraged and guided me in the early years. Their help made things a lot easier in the early years. To Dave Edwards who's help, especially when we took on State Centre, Thanks mate.

To Ange and all my Family who have helped and encouraged me over the many years and spent many hours on the beach, I thank you.

To the new Executive, I wish them all the best and lets continue to improve Our Club

Finally, again thanks to ALL our members for their support over they year in making our Club GREAT and see you on the beach.

David Erskine

SECRETARYS REPORT

Our club membership has grown once again, and this led to one of the best patrolling member season numbers in many years. This came about from yet again Dan Meehan, our Club CTO, working hard on upskilling young and old new members.

Rhys our New Club Captain put together one of the best rosters in many years to ensure no team or member was overloaded throughout the beach Patrol Season. Rhys is a natural born leader, and the members are not only thankful for Rhys efforts but look up to Rhys and I'm sure our Club Captain will be here for many years to come. Well done Rhys and Dan, you're both assets to the club and community.

Our club renovations are getting closer to the finish line thanks to the ongoing efforts of our Vice President Nathan Boscaro. Nathan simply doesn't stop when it comes to all matters of PKSLSC. Nathan also was our boat trainer once again and the results speak for themselves.

As a club, we will soon be launching a trading restaurant - a first in the club's history. The commercialization will not only support our community, but it will also provide support to the PKSLSC membership and their families. Exciting times are just around the corner.

Finally, a huge thankyou to all our PKSLSC Members for your ongoing support of the executive committee.

Jason Hedges

CLUB CAPTAINS REPORT

To our members,

I'd like to thank you all for another successful season, I want to take a moment to express my deepest gratitude to the incredible group of volunteer lifesavers who have dedicated their time, efforts, and unwavering commitment to ensuring the safety of our community. Your extraordinary efforts and flexibility have been the cornerstone of our community's safety throughout this season.

From the moment the season kicked off, it was evident that our members were willing to go above and beyond. Week after week, you selflessly donated your time.

One of the most remarkable aspects of this season was witnessing the strong sense of camaraderie among our club

The cohesive teamwork and mutual support created an environment where everyone felt valued, included, and empowered.

Beyond your duties on the beach, we were equally impressed by your dedication to further educating yourself in ART , first aid , IRB , beach management and drone certifications.

To all the executive members, board members and participants of our monthly meetings thank you for time, dedication, and passion to better our club.

As we conclude this season, I want to reiterate my heartfelt gratitude to each and every member who gave their time and energy to protect our community and strengthen our club. Thank you for being the true heroes of our beach community.

Rhys Bowdich

FINANCIAL REPORT

The Club has once again had another strong year. Approximately \$108k in Grants were recognized within the year which assisted the Club in moving the Club House project forward and assisted in maintaining the surf life saving equipment around the Club. A huge thanks to Nathan Boscaro who continues to working diligently on obtaining the majority of the funding for the Club and managing the works around the Club.

Running a Club of our size does not come cheap. We spent approximately \$85k in the day to day running of Club. This wouldn't be possible without our many Club sponsors, many of which have been support us for many years. These funds were also topped-up by the work of our Hall Manager Rosalie Boscaro who took care of the hall bookings and ensured they all ran smoothly. Recovering off the back of COVID has been a challenge, and the work of Rosalie over the last few years has assisted the Club in maintaining its financial stability.

Consistent with prior years our balance sheet remains in a sound position. Our cash reserves remain strong, with the significant movement year on year relating to grant allocations spent on the Club House project.

The audit for the year ended 28 February 2023 continues. The Committee has attached the preliminary unaudited Profit & Loss and Balance Sheet for members to read prior to the AGM. If you have any questions prior to the AGM please feel free to reach out to the Committee beforehand.

As the Club continues on its progression on the Club House, with Hall Hire income down, it will be up to all members to remain diligent on expenses in the coming years to ensure we remain in a financially strong position and able to continue to support our community on the beach we all love!

Great work and looking forward to seeing you on the beach in 2023/24.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 28 FEBRUARY 2023**

1 Statement of Significant Accounting Policies

The financial statements are a special purpose report prepared in order to satisfy the financial requirements of the Associations Incorporation Act NSW, the Australian Charities and Not-for-profits Commission Act 2012 and the Charitable Fundraising Act 1991.
The committee has determined that the association is a Not for Profit Entity and is not a reporting entity.

The financial report has been prepared in accordance with the requirements of the Associations Incorporations Act NSW 1991 and the following Australian Accounting Standards:

AASB 101: Presentation of Financial Statements
AASB 107: Statement of Cashflows
AASB 108: Accounting Policies, Changes in Accounting Estimates & Errors
AASB 1048 Interpretation of Standards
AASB 1054 Australian Additional Disclosures

The financial report has been prepared on an accruals basis and is based on historic costs and does not take into account changing money values or, except where specifically stated, current valuations of non-current assets.

The following material accounting policies which are consistent with the previous period, unless otherwise stated, have been adopted in the preparation of this financial report.

Revenue and Other Income

Revenue is measured at the fair value of the consideration received or receivable after taking into account any trade discounts and volume rebates allowed. For this purpose, deferred consideration is not discounted to present values when recognising revenue.

Interest revenue is recognised using the effective interest rate method, which for floating rate financial assets is the rate inherent in the instrument. Dividend revenue is recognised when the right to receive a dividend has been established.

Grant and donation income is recognised when the entity obtains control over the funds, which is generally at the time of receipt.

All revenue is stated net of the amount of goods and services tax (GST).

Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Tax Office. In these circumstances, the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the assets and liabilities statement are shown inclusive of GST.

Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held at call with banks, and other short-term highly liquid investments with original maturities of three months or less.

Income Tax

The Club is exempt from income tax under Division 50 of the Income Tax Assessment Act 1997

The accompanying notes form part of these financial statements.

| Comparative Figures | | |
| Where required by Accounting Standards, comparative figures have been adjusted to conform with changes in presentation for the current financial year. | | |
| When an entity applies an accounting policy retrospectively, makes a retrospective restatement or reclassifies items in its financial statements, a statement of financial position as at the beginning of the earliest comparative period must be disclosed. | | |
| 2 Critical Accounting Estimates, Judgements & Errors | | |
| In preparing this financial report, the committee was required to make estimates and assumptions. These estimates and assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances. INDEPENDENT AUDIT REPORT

TO THE MEMBERS OF PORT KEMBLA SURF LIFE SAVING CLUB

Qualified Opinion

I have audited the financial report of Port Kembla Surf Life Saving Club Incorporated ("the Association"), which comprises the balance sheet as at 28 February 2023, the income statement, and notes to the financial statements, including a summary of significant accounting policies, and the declaration by the Management Committee.

In my opinion, except for the effects of the matter described in the Basis for Qualified Opinion section, the accompanying financial report of the Association is in accordance with Division 60 of the Australian Charities and Not-for-Profits

a) giving a true and fair view of the Association's financial position as at 28 February 2023 and of its financial performance for the year then ended; and

b) complying with Australian Accounting Standards to the extent described in Note 1 and Division 60 of the *Australian Charities and Not-for-profits Commission Regulation 2013*.

Basis of Qualified Opinion

As is common for organisations of this type, it is not practicable to maintain an effective system of internal control over donations, subscriptions and other fund raising activities until their initial entry on the accounting records. Accordingly, our audit in relation to fundraising was limited to the amounts recorded.

I conducted my audit in accordance with Australian Auditing Standards. My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of my report. I am independent of the Association in accordance with the auditor independence requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants ("the Code") that are relevant to my audit of the financial report in Australia. I have also fulfilled my other ethical responsibilities in accordance with the Code.

I confirm that the independence declaration required by Division 60 of the *Australian Charities and Not-for-profits Commission Act 2012*, which has been given to the Management Committee, would be in the same terms if given as at the time of this auditor's report.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Basis of Accounting

Without modifying our opinion, we draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared to assist Port Kembla Surf Life Saving Club incorporated to meet the requirements of the *Associations Incorporation Act NSW* and the *Charitable Fundraising Act* for the purpose of fulfilling the committee's financial reporting responsibilities. As a result, the financial report may not be suitable for another purpose.

Responsibilities of Management Committee for the Financial Report

Management is responsible for the preparation of the special purpose financial report that gives a true and fair view in accordance with the relevant Australian Accounting Standards in accordance with the *Australian Charities and Not-for Profits Commission Regulations 2013* and the *Australian Charities and Not-for-profits Commission Act 2012* and for such internal control as management determines is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error.

In preparing the special purpose financial report, management is responsible for assessing the Association's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intend to liquidate the Association or to cease operations, or have no realistic alternative but to do so.

The Management Committee are responsible for overseeing the Association's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Report

My objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, I exercise professional judgement and maintain professional scepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Association's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of the management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Association's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the Association to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.
- I communicate with the management committee regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.
- I also provide the management committee with a statement that I have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.

EDUCATION REPORT

Firstly, congratulations to all those who gained their awards this summer. To gain any award that keeps bathers safe on your watch is a grand thing. Well done.

After this we did a number of SRC and Bronze courses. We started off with many people doing first aid and then Advanced Resuscitation. 3 people namely Nathan Boscaro, Ian Graham and Janine Sager are all doing their Trainers Certificate. This is not a simple course and requires very involved and concise training and numerous submissions. We all should support and thank them, because without Trainers, we have no trained members.

Thanks must go to North Wollongong Surf Club for assisting train our members.

Thanks also is outgoing to Sue Martin of Sandon Point who assisted us with all our awards as without a Facilitator, we must not train and assess as we go. We need an independent Assessor to come in. Sue did this and has done this for the past 2 seasons. She is methodical and helpful.

I wish to remind members we have a season ahead of us. We all need to be aware of updates for season 23/24

On the IRB all switches will be standardized to ensure the throttle returns to neutral and reinforces that good maintenance is essential for all power craft. Be sure to look after the gear that looks after you. The power craft manual is currently under review so please if you have not done so for a while, read the exiting one now. The new power craft manual is going digital.

There is now an emphasis on the dangers of over inflation and the importance of using ultra pulse oximetry before administering oxygen. There is also emphasis on the importance of heat illness based on the most effective ways to cool a patient rapidly. Be sure to check out the PSAR35 for more information.

Because of Covid, SLS want us to be across some of the crucial skills we should be aware of. SLS know that because of Covid there have been fewer opportunities to practice skills for defibrillation and all other lifesaving resuscitation skills. This is especially so for rescue breathes during resuscitation. They also feel we need to more familiar with hemorrhage control and the use of tourniquets, and e-pens. They also feel we need to be aware of the treatment for asthma, bites and stings. What SLS are saying, is get some practice in.

SLS are wanting us to practice communication skills during CPR. This is all about having a good and competent Team Leader. Check your gear before every patrol. Know who is assigned to do what. Then practice, practice, practice.

SLS are developing scenarios where you will be asked to make a decision and consider the consequences of that decision. You will be given choices at each step and responding to them. All members must complete the training for sexual harassment training. We all must complete this.

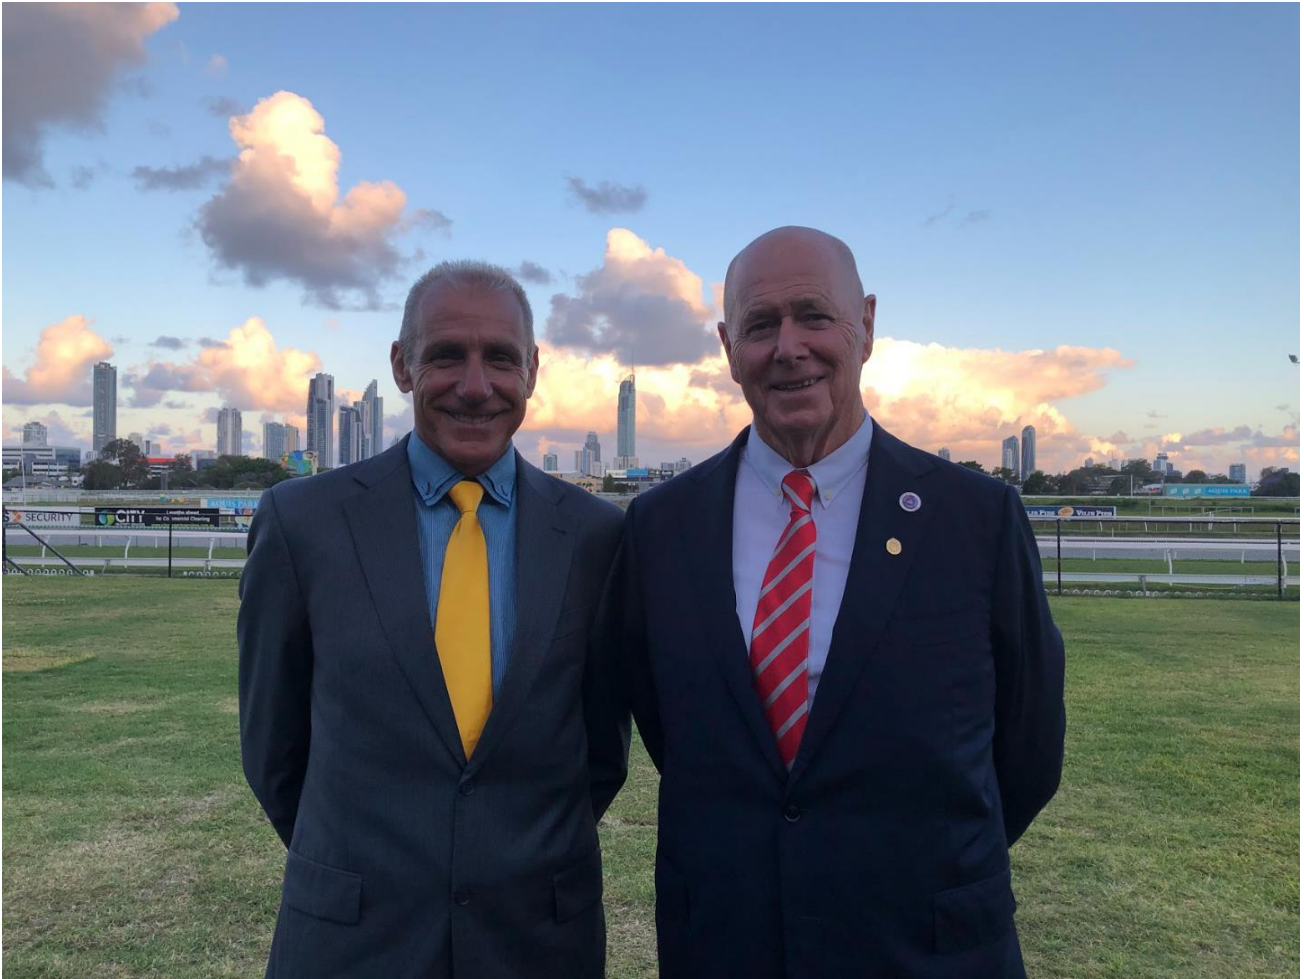

The new Silver Medallion Patrol Captains course has been released. Please read this on the Members Portal under eLearning. Become familiar with this type of training.

SLS want us to record all statistics correctly.

Finally, I am not standing for CTO again. I have been doing it for 11 seasons, along with Under 14 Age Manager. This is essential as it trains and eases the Nippers to enter patrol work and the senior club. It's time for me to pass on the training to another. Training needs a fresh perspective. I will still be here to assist the new person or persons. I am currently upgrading my own Cert IV qualifications to remain current. If you think keeping current for patrol work is onerous, become a Trainer as its never ending BUT highly rewarding. I will help the new person in every way that I can. It does not matter if you are not qualified. You can get there. It will take time, years in fact, but once you get there, these are nationally accredited qualifications that will help you greatly at our club and even in your work. It can even lead to a new career path in Training or some other service delivery. I will still be involved with Saturday Surfing as this has made huge difference in water skills and rescue capability. We do it all year round. If your board skills are a bit dusty, come along. Its great fun.

Finally thank you. I love our club, what we do, how we do it and it's been an honor to be part of Port Kembla Surf Lifesaving Club.

FIRST AID REPORT

It was a busy season in regard to the number of rescues undertaken, while first aid applications were mostly minor and undertaken with skill. Well done to all those who were involved in rendering first aid to members of the public.

Feedback from anyone requiring assistance was positive and with gratitude, as far as I am aware.

First aid equipment has been maintained and replenished as required.

My suggestion for improving our patrolling members ability to provide the optimum level of first aid and resuscitation response when required is a regimented approach to the checking of the equipment at the commencement of each patrol on duty. This would involve the checking of the oxygen cylinder and masks, that the defib is operational, and that all equipment is out on the table provided where it is ready for use. Because all patrolling members should make themselves familiar with the equipment at the beginning of their shift they would then be confident in its use when required. This short but important ritual should not be optional, but mandatory, with the filling out of a checklist each shift. Discussion concerning this matter will be open at the next general meeting of the club so all can add their opinion to how this procedure should be formulated.

Thank you to everyone for being exactly who we need on the beach - responsible life savers ready and willing to help all members of the public who turn to us for assistance.

SURF BOAT ROWERS REPORT

Season 2022/2023 was one to remember for our boat section.

Outstanding results produced by various crews, carnival being held at our beach, number of new people starting rowing and seeing many older faces back in surf boats.

Starting out with a successful 24 hour row event. Followed by hosting the south coast boat series. All crews trained relentlessly throughout the season. The many hours put in by sweeps and rowers apparent in the list of results achieved by the club.

A Big shout out to Alexa Bowdich for providing the crews with drone footage of training sessions throughout the season. All rowers are greatly appreciative of the feedback received through your footage.

Under 19s crew

During the season our U19s took to the water, learning the fundamentals of the sport. Putting in the work to build a great base to become a competitive crew in the seasons to come.

NIPPERS REPORT

Port Kembla Junior Surf Life Saving 2022/2023 Presidents Report

Brett McLennan

It was great to get back to a full season of Nippers this year with no covid interruptions. We again made good use of Fisherman's Beach and Port Kembla Pool when the conditions prevented us from getting in the water at Port Beach. Having this beach and the pool available to us is invaluable and has offered our Nippers a great place to learn and hone their water skills.

The Nippers program would not be possible without the help of our volunteers and the community. I would like to give thanks to the following people:

- The committee for volunteering their time and knowledge to making this club run successfully.
- Our Water Safety Personnel.
- All Age Managers for your tireless efforts in guiding our nippers around the beach on Sundays. Giving your time to teach other people's children and your own is great service to our club.
- JB and the staff at Port Kembla Pool for their hospitality.

All our Nippers were able to fulfil their requirements for the season and receive their certificates. I would like to congratulate Scarlett MacAskill on receiving Point Score Champion for the year. This year we had 203 Nippers registered. This is up on our previous year. This is a good outcome for our Club and community.

Our presentation day went off without a hitch and it was good to see so many of you attend and having fun.

I would lastly like to thank our committee members for their tireless work this Year. Without volunteers on our committee what we do would not be possible.
