

Port Kembla Nippers 2021- 2022 Season Registration Information

Due to the uncertainty of these times in relation to Covid19, please make a conscious decision in regard to registering for Junior Activities for this season. As a club, we have to work under NSW Government Public Health Orders and realistically cannot foresee if our season will run in its entirety. If NSW Government Public Health Orders change at any time during the season, our club will need to make decisions in regard to the viability of running Junior Activities within the Public Health Orders and being able to keep the safety and health of our members a priority and cannot guarantee we will be able to run for a full season.

As a club we will be charged capitation fees for anybody we register this season. Once we take a registration, we will NOT be in a position to give refunds if our season gets cut short. Please take this into consideration before registering.

Do not attend any Port Kembla SLSC activities if you:

- have any symptoms (i.e., fever, coughing, sore/scratchy throat, shortness of breath or loss of taste or smell)
- have been in close contact with someone who has tested positive for COVID-19
- have tested positive for COVID-19 – wait until you have been given medical clearance to attend again
- If you or a member of the household are awaiting test results and have been instructed to isolate
- If anybody in your household falls into any of the above categories, you all must not attend a Port Kembla SLSC activity.

Registration Days

Registration days will be conducted with the following covid safe measures;

- QR code check in
- All those aged 16+ must be double vaccinated
- If you or a member of the household are awaiting test results and have been instructed to isolate you must not attend
- Face masks are mandatory
- Physical distancing
- Only one person per family to attend registration
- 1 person per 4sqm

Please be aware, all conditions are subject to change without notice. These measures have been put in place by NSW Health and our governing body, SLSNSW.

Registration days will be conducted at the clubhouse. Physical distancing must be observed, for this reason we have split registrations up into timed slots. We also ask that only one adult from each family attend registration days to limit the number of people inside. This year due to Covid we also can't allow people to try on uniforms. Some will be available on the day. Anything we don't already have in stock will have to be ordered.

Returning Families Registration Days

- Saturday 6th November

U13	9:00am-9:30am

Please note that no online registrations or payments will be accepted for PKSLSC Nippers this year, Cashless Payments Only and registrations must be made on the day. Active kids voucher accepted (voucher number, date of birth and name exactly as it appears on the voucher is required).

Fees for 2020- 2021 season will be as follows:

- \$120 for 1st child and Associate Parent Membership
- \$70 for 2nd child and subsequent children
- \$40 for additional Associate Member

Associate Member Shirt included in price. U6 Members receive Free rashy and club cap.

To Register Your Child:

- All new registering members are required to bring along a Birth Certificate.
- **All children from U8 Age group and above will be required to pass their Preliminary Evaluations** – should your child be unable to complete the proficiency swim they will not be able to register and will be refunded. Unfortunately, there can be no exceptions. Please see the table below for swim and float requirements.
- Registrations will only be accepted until age groups are filled to the correct Age Manager to Children ratio and Covid limit (20 children per age).
- Please check your child's date of birth against the following table to ensure the correct age group is recorded on your registration form.
- **Cashless payment is required on day of registering. Unfortunately, due to demand, places cannot be held.**
