## Awards & Proficiencies

# PRESIDENTS REPORT

As we conclude another season, I would like to thank all our patrolling members for their outstanding efforts. Our start to the season was delayed due to Covid restrictions, a decision which wasn't made lightly by our club. This decision was made after considering Our Members welfare and safety, a decision I still think was the correct one.

Whilst the weather hasn't dealt us a good season, our members have still had to turn up each week and fulfill their duties. A great effort by everyone.

On the competition side of things, we had two crews, with our Women's Reserve crew winning a Bronze Medal at the ASRL Open. Congratulations to Nathan Boscaro, Erika Saines, Lara Drabsch, Elyse Hogan and Leah Hayes. What a great effort. Gold 2023?

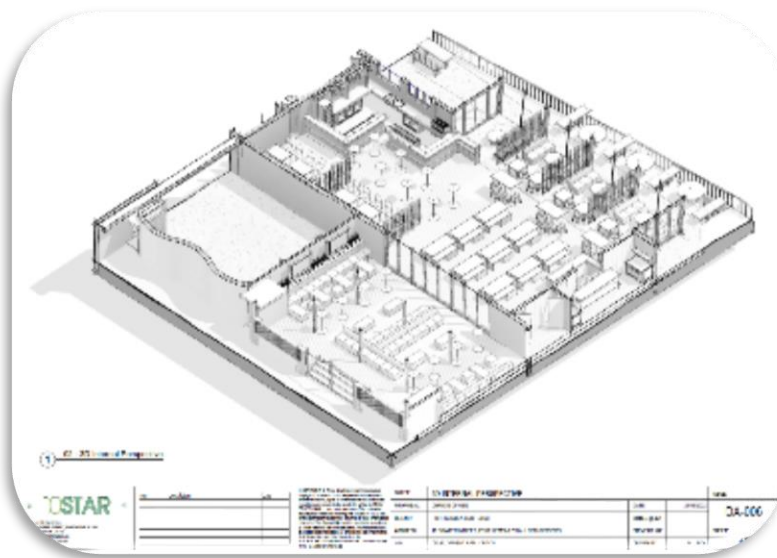

Right to left - Elyse Hogan, Leah Hayes, Lara Drabsch, Erika Saines, Sweep - Nathan Boscaro

To our Nippers committee of Brett McLennan, Ian Graham and Steve Wilton and all their helpers, thanks for continuing to educate our Nippers and help promote them to our senior Club.

To our major sponsors *NSW Ports* and major partners *Ports Authority*, your contributions are greatly appreciated. Your continued support and contribution to our Club has allowed us to successfully fulfill our commitments and keep the community visiting our beach safe. We look forward to working with you into the future in supporting and our Community.

To my fellow Executive team in Nathan Boscaro, Dan Pretzler, Jason Hedges and David Edwards - I would like to thank you for the amount of work you continually do to keep our **GREAT CLUB** going. To their wives and my partner Ange, without your support we would not be able to spend as much time as we do fulfilling our roles. Thanks also to all our other committee members.

We are currently awaiting our DA application before Council to Approve our Change of Use for the Surf club Hall which will **FINALLY** permit us to get our Bar/Restaurant operating. I would like to thank Nathan Boscaro and Jonathon Crowe for the amount of groundwork they have done to get this underway.

Finally, a Special thank you to my big mate Dave Edwards who has decided the time is right to step down as Club Captain. He has been a member since 1998 and Club Captain for 14 years. Club Captain is one of the hardest roles to do, and Dave has done an excellent job over the years to keep the patrols filled and operating week in week out, year after year. We have had some great times around the Club and also on trips away competing. Dave was also involved with the Nippers when his sons Josh and Kaine were members. So Dave, thanks for all your time and effort, you **WILL** be missed.

To Ange, Dave's wife, thanks for supporting and encouraging Dave to stay involved with the Club over the years - it has been much appreciated. Now you have to put up with him more!!!

Thanks everyone and I look forward to 2022/23 season and our new club Venture.

David Erskine  
**President**

# SECRETARYS REPORT

This season we were able to form ten patrols at our club. Over the past two seasons, with the introduction of both the Life Member and Gym patrols, we have started to notice a positive improvement in the overall hours required by each volunteer. This season we had five patrols that were rostered throughout the whole season and with our Life Members and Gym patrols performing full days in the fringes of the season.

Behind the scenes the Club has been successful in receiving multiple grant applications over the past year. This season we are grateful to the NSW Government who have continued their support with the management of the Port Kembla Community Investment Fund (PKCIF). We also thank the IMB Community Foundation, Stronger Communities Program, and Community Building Partnership Program. On top of these we have successfully achieved our annual Surf Life Saving equipment grants. This season, using the funding from the IMB Community Foundation, we were able to launch our new surf rescue trailer named after Life Member Noel Gracie (see below).

This season we moved one step closer to reaching our club ambition of converting our current hall into an operating Restaurant/Café. In January, a development application was finally lodged with Wollongong City Council and is currently under assessment. Our application is

scheduled to go to the local planning on June 7<sup>th</sup>, 2022, for endorsement. This is by no means the finish line; however, it is a significant step in the right direction.

As we start to wrap up this season, it's important to send in your feedback to the committee to aid in the development of next years roster.

Nathan Boscaro  
**Secretary**

# CLUB CAPTAINS REPORT

Firstly, a big thank you to all patrolling members for your time and efforts this Season.

Patrol attendance has been pleasing this Season with only a couple of hiccups towards the back end. Once again, our Veteran patrollers filled in holes/gaps where needed. Thank you to those who made themselves available and stepped in accordingly.

This Season unearthed some new, young patrollers who stepped up and improved their skills by turning up to Patrols and having a go. It was and has been pleasing to see this enthusiasm amongst our younger Members who are the future of our Club and hopefully will be around for many years to come.

If we can continue to build on our younger member's knowledge, gain more qualifications and advance in confidence, we may be able to add more patrols in the future. It would be very rewarding to see this happen.

As of the end of this Season, I will be stepping down as Club Captain, a role I have enjoyed and been proud of. A huge thank you to all of the people over many years for your help and support to and of me. It is and has been greatly appreciated!

Cheers!

David Edwards

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 28 FEBRUARY 2022**

**1 Statement of Significant Accounting Policies**

The financial statements are a special purpose report prepared in order to satisfy the financial requirements of the Associations Incorporation Act NSW, the Australian Charities and Not-for-profits Commission Act 2012 and the Charitable Fundraising Act 1991.

The committee has determined that the association is a Not for Profit Entity and is not a reporting entity.

The financial report has been prepared in accordance with the requirements of the Associations Incorporations Act NSW 1991 and the following Australian Accounting Standards:

AASB 101: Presentation of Financial Statements

AASB 107: Statement of Cashflows

AASB 108: Accounting Policies, Changes in Accounting Estimates & Errors

AASB 1048 Interpretation of Standards

AASB 1054 Australian Additional Disclosures

The financial report has been prepared on an accruals basis and is based on historic costs and does not take into account changing money values or, except where specifically stated, current valuations of non-current assets.

The following material accounting policies which are consistent with the previous period, unless otherwise stated, have been adopted in the preparation of this financial report.

**Revenue and Other Income**

Revenue is measured at the fair value of the consideration received or receivable after taking into account any trade discounts and volume rebates allowed. For this purpose, deferred consideration is not discounted to present values when recognising revenue.

Interest revenue is recognised using the effective interest rate method, which for floating rate financial assets is the rate inherent in the instrument. Dividend revenue is recognised when the right to receive a dividend has been established.

Grant and donation income is recognised when the entity obtains control over the funds, which is generally at the time of receipt.

All revenue is stated net of the amount of goods and services tax (GST).

**Goods and Services Tax (GST)**

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Tax Office. In these circumstances, the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the assets and liabilities statement are shown inclusive of GST.

**Cash and Cash Equivalents**

Cash and cash equivalents include cash on hand, deposits held at call with banks, and other short-term highly liquid investments with original maturities of three months or less.

**Income Tax**

The Club is exempt from income tax under Division 50 of the Income Tax Assessment Act 1997

The accompanying notes form part of these financial statements.

**Comparative Figures**

Where required by Accounting Standards, comparative figures have been adjusted to conform with changes in presentation for the current financial year.

When an entity applies an accounting policy retrospectively, makes a retrospective restatement or reclassifies items in its financial statements, a statement of financial position as at the beginning of the earliest comparative period must be disclosed.

During the preparation of the financial report for 2022, The Club wrote back to retained earnings the amount on the balance sheet relating to capital WIP as the club does not capitalise assets. As these amounts related to a prior period, this has been rectified in the 2022 year financial report by way of restatement of the 2021 year as noted below. The club also to the opportunity to correct the stock balance as not stock is held on the balance sheet for accounting purposes.

**Statement of Financial Position**

	2021	(Decrease)/ Increase	2021 Restated

Opening retained earnings 1 March 2020	\$433,297	(22,510)	410,787

**2 Critical Accounting Estimates, Judgements & Errors**

In preparing this financial report, the committee was required to make estimates and assumptions. These estimates and assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances. Actual results may differ from these estimates. The estimates and underlying assumptions are reviewed on an ongoing basis.

**3 Key Management Personnel & Related Parties**

All key management personnel and volunteers are not compensated. There are no related party transactions.

**4 Fundraising Activities**

Net fundraising is applied to the operational expenses of the Club in its core lifesaving activities.

**8 Events after balance date**

The impact of the Coronavirus (COVID-19) pandemic is ongoing and while it has had an impact on revenues for the Club (eg registrations, hall hire, events and fund raising) up to 28 February 2022, it is not practicable to estimate the potential impact, positive or negative, after the reporting date. The situation is rapidly developing and is dependent on measures imposed by the Australian Government and other countries, such as maintaining social distancing requirements, quarantine, travel restrictions and any economic stimulus that may be provided. There were no other after balance date events.

## INDEPENDENT AUDIT REPORT

### TO THE MEMBERS OF PORT KEMBLA SURF LIFE SAVING CLUB

#### Qualified Opinion

I have audited the financial report of Port Kembla Surf Life Saving Club Incorporated ("the Association"), which comprises the balance sheet as at 28 February 2022, the income statement, and notes to the financial statements, including a summary of significant accounting policies, and the declaration by the Management Committee.

In my opinion, except for the effects of the matter described in the Basis for Qualified Opinion section, the accompanying financial report of the Association is in accordance with Division 60 of the Australian Charities and Not-for-Profits

a) giving a true and fair view of the Association's financial position as at 28 February 2022 and of its financial performance for the year then ended; and

b) complying with Australian Accounting Standards to the extent described in Note 1 and Division 60 of the *Australian Charities and Not-for-profits Commission Regulation 2013*.

#### Basis of Qualified Opinion

As is common for organisations of this type, it is not practicable to maintain an effective system of internal control over donations, subscriptions and other fund raising activities until their initial entry on the accounting records. Accordingly, our audit in relation to fundraising was limited to the amounts recorded.

I conducted my audit in accordance with Australian Auditing Standards. My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of my report. I am independent of the Association in accordance with the auditor independence requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants ("the Code") that are relevant to my audit of the financial report in Australia. I have also fulfilled my other ethical responsibilities in accordance with the Code.

I confirm that the independence declaration required by Division 60 of the *Australian Charities and Not-for-profits Commission Act 2012*, which has been given to the Management Committee, would be in the same terms if given as at the time of this auditor's report.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

#### Basis of Accounting

Without modifying our opinion, we draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared to assist Port Kembla Surf Life Saving Club incorporated to meet the requirements of the *Associations Incorporation Act NSW* and the *Charitable Fundraising Act* for the purpose of fulfilling the committee's financial reporting responsibilities. As a result, the financial report may not be suitable for another purpose.

#### Responsibilities of Management Committee for the Financial Report

Management is responsible for the preparation of the special purpose financial report that gives a true and fair view in accordance with the relevant Australian Accounting Standards in accordance with the *Australian Charities and Not-for Profits Commission Regulations 2013* and the *Australian Charities and Not-for-profits Commission Act 2012* and for such internal control as management determines is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error.

HLB Mann Judd (Wollongong) Pty Ltd is a member of HLB International, the global advisory and accounting network.

In preparing the special purpose financial report, management is responsible for assessing the Association's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intend to liquidate the Association or to cease operations, or have no realistic alternative but to do so.

The Management Committee are responsible for overseeing the Association's financial reporting process.

#### **Auditor's Responsibilities for the Audit of the Financial Report**

My objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, I exercise professional judgement and maintain professional scepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Association's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of the management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Association's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the Association to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.
- I communicate with the management committee regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.
- I also provide the management committee with a statement that I have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.

# SURF BOAT ROWERS REPORT

This year we got our boats out of the sheds and back on the water after almost two years of Covid impacted seasons. Our first carnival of the season was at the Australian Surf Rower League Open where we entered a female and male reserve crew.

I'm extremely proud of the effort both crews put into the carnival and the performance we pulled off was amazing for the lack of preparation! Well done to the boys for getting to the major semi final and to the girls for coming third!!!

This season we also welcomed a bunch of junior rowers coming up through the ranks. A number of our juniors went to the surf boat academy held at Kiama which proved to be a great introduction to surf boat rowing!

Even after the academy we were able to get out onto the water at Berkely for some more training. Fingers crossed we can recruit some more juniors next season and start getting them into some to competitions!

Finally, I would like to acknowledge *NSW Ports* for their amazing support and sponsorship! Without them this wouldn't not be possible. The new boat which was launched in March was named after our current President David Erskine.

# NIPPERS REPORT

We had a late start to the season this year due to Covid. I believe we still made the most of it though only having to cancel minimal weeks, as we made good use of Fisherman's Beach. Not only for our regular days but for Proficiency days as well. Having this beach available to us is invaluable and has offered our Nippers a great place to learn and hone their water skills.

The Nippers program would not be possible without the help of our volunteers and the community. I would like to give thanks to the following people:

- The committee for volunteering their time and knowledge to making this club run successfully
- Our Water Safety Personnel
- All Age Managers for your tireless efforts in guiding our nippers around the beach on Sundays. Giving your time to teach other people's children and your own is great service to our club.

U6	Nathan Wright, Dave Thompson
U7	Lachlan McGregor
U8	Michael Martin, Dave Thompson
U9	Jaco Esterhuysen, Dave Thompson
U10	Chris Landen
U11	Steven Wilton
U12	Joshua Wiffen
U13	Hugh Taylor,
U14 SRC	Dan Meehan

All our Nippers were able to fulfil their requirements for the season and receive their certificates. I would like to congratulate Indiana Hiscocks on receiving Point Score Champion for the year. This year we had 185 Nippers registered. This is up on our previous year. This is a good outcome for our Club and community.

We had a return to our Clubhouse for our presentation this year in person. It was great to see so many of you having fun as we could not do the year before due to Covid.

I would lastly like to thank our committee members for their tireless work this Year. Without volunteers on our committee what we do would not be possible.
